

# INSTALLATION INSTRUCTIONS

Part Number BM-8006

**This filter fits:** SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter will last 1 million miles or more. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

## INSTALLATION

1. Remove the stock air filter.
2. Carefully clean the intake snorkel where the air filter sits.
3. Install the K&N Filtercharger® into the intake snorkel. (Fig. 1)
4. Reinstall the intake snorkel.
5. Slightly push down on the intake snorkel to make sure it is completely seated.
6. Fasten the stock clips. (Fig. 2)

**THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.**
